3. TEAM PHOTOS

We thought it would be great to start getting to know each other if each participating team sends us a team photo to post on the website (***Please make sure that the students who did not give their consent for photographs or videos are not on the photo***)

It would be also nice to have photos of the teachers accompanying the students!

4. ACCOMMODATION DETAILS FOR STUDENTS AND TEACHERS

STUDENTS

Foreign students will be hosted by Mare de Déu students and their families. They will be sharing their homes and their lives with the students participating in the Conference. This sort of accommodation and cultural exchange is extremely important for the Global Education Curriculum of our students and also it represents a very essential field in their lifelong learning.

There should be an atmosphere of respect and kindness, so please let them know how you are feeling and if there is any further aspect in which they can help you.

The host families provide a warm, secure and healthy environment. They will be offering overnight stay and any meals not done within the programme of the Conference.

TEACHERS / INVITEES

Teachers and invitees will be staying at Hotel Don Candido during the Conference. It is a very comfortable hotel and also well located. A member of our staff, Paul Tompkins, will be staying at the hotel for any questions or problems you may have. He will be coordinating the teachers and invitees during the stay in Terrassa.

5. TRANSPORTATION

During the Conference the transportation will be carried out by private buses.
